

# Master Judges Training Application

6-9 pm Friday, Feb 6, 2009 Pinal Co. Fairgrounds, Competition Building

Thank you for showing interest in the American Gourd Society's Master Judges Training.

This seminar will familiarize you with the AGS Judging Guidelines, provide hands-on judging, and train you to train others in your state chapter to be AGS Certified Judges. You will be qualified as both a Certified Judge and a Master Judge, and your name will go on the AGS website list of Master Judges available to train others.

There is no charge for the instruction itself, but your non-refundable \$10 tuition fee will help purchase your personalized official nametag to be presented at class completion, as well as a useful packet of materials to make your trainings at home go smoothly. Your nametag will be created in advance of the class (if your application reaches us in time). If, for some reason, you are unable to attend or finish the class, we will give you free tuition to any future session and hold your nametag/materials until that time.

Kathy James will be happy to answer questions, [klaymaker@aol.com](mailto:klaymaker@aol.com) or 229-420-9982.

Name, as it should appear on your nametag. Print please.
